

Currie, Peak and Frazier, Inc.

"Our Certified Technicians treat your equipment and issues as their own"

Service and Support

CPF is built on professional ethics, personal integrity, and a long term approach of adding value to business alliances and customers, for the purposes of mutual success and managed growth.

THE CPF SERVICE AND SUPPORT CENTER

The CPF Service and Support Center is a top rated, Authorized Service Provider (ASP) for both Pen Enabled and Notebook products, servicing thousands of mobile devices annually.

CPF Service maintains a significant parts inventory to minimize down time and turnaround times.

Our Certified Technicians are cost conscious and skilled in the art of diagnosis and remedy.

CPF serviced units are rigorously tested with a 28 point inspection before and after any work is performed to ensure that all primary and any unforeseen secondary issues are corrected.

The CPF Service and Support Center offers a breadth of technical services and support programs to accommodate the most demanding projects.
